Objective

Computer Science and Engineering student with a keen interest in full-stack development. Passionate about building creative and user-friendly web applications. Eager to learn, grow, and contribute innovative projects.

Education

SSLC

Jothi Vidhyalaya Matric Hr Sec School - 93%

2020

HSC

Jothi Vidhyalaya Matric Hr Sec School - 87%

2022

SNS College of Engineering

Computer Science & Engineering | CGPA : 7.93 (Till Fifth Sem)

2022 – 2026*

Internship

Inpro Software Solutions

March 2024 – April 2024

Web Development Intern

- Strengthened skills in front-end technologies like HTML, CSS, JavaScript, and learned API handling techniques.
- Developed a responsive weather application and a portfolio website using HTML, CSS, JavaScript, and real-time weather API integration.
- Gained knowledge in front-end development, including responsive design, debugging, and performance optimization.

Projects

Weather App

2024

- Developed a weather reporting website using HTML, CSS, and JavaScript, providing real-time weather updates based on user location.
- Integrated a weather API to fetch dynamic weather data for specific locations.
- Added interactive features like location-based search and forecast visualization.

Food Delivery App

2025

- Built a full-stack food delivery website using React, HTML, CSS, and JavaScript, with ExpressJS and MongoDB for backend services and database management.
- Designed a dynamic and responsive menu interface with categorized food items and real-time pricing updates.
- Implemented user-friendly navigation with About and Contact pages to enhance customer engagement.

Technical Skills & Interest

| | |
|------------------|--------------------------------------|
| Area of Interest | - Full-Stack Development |
| Coding Skills | - Java |
| Front-End | - HTML/CSS , JS , ReactJS , Tailwind |
| Back-End | - MongoDB , ExpressJS |
| Tools | - VS Code , Canva |

Achievements & Certifications

- Organized Java BootCamp at SNS College of Engineering - 2025
- Selected Intra-College Level Smart India Hackathon - 2024
- Completed Certification in Programming in Java - NPTEL
- Presented a Technical Paper at Ramakrishna College of Engineering - 2023
- Basic of Excel - Great Learning
